PREAMBLE

College bylaws promote academic excellence and framework for governance, operations, and conduct. The bylaws guide students, staff, and administrators to fulfill the mission and values of the institution. The bylaws aim to promote transparency, collaboration, and effective decision-making at the college therefore College provides a dynamic and supportive academic environment for students to achieve their full potential to contribute to the betterment of society.

This set of bylaw pertains to conduct, academic laws, procedures and conduct of students. The governance of college is guided by separate policies and procedures. Similarly, employee's handbook details the rights, responsibilities, and obligations of employees.

The college is committed to cultivating an educational environment that is diverse and inclusive, ensuring equal opportunities for all students. Throughout all activities and interactions, we uphold the principles of integrity, respect, and accountability to prepare our students as responsible citizens who are informed, and ethical in their conduct.

These bylaws are subject to periodic review and revision to ensure continued growth and success in fulfilling the mission of the institution.

Message from the Dean

Dear Students and Respected Members of the College Community,

I am pleased to share the latest edition of our College Bylaw—a foundational document guiding the governance and operations of Mazoon College. It reflects our commitment to academic excellence, integrity, and inclusivity, providing a framework to ensure transparency, fairness, and efficiency in our college.

The bylaws align with the College's mission, vision, core values, and graduate attributes, which are central to shaping our identity and driving our aspirations. I urge all stakeholders—students, faculty, and staff—not only to read and familiarize themselves with these guiding principles but to fully understand and integrate them into their roles. These elements are vital for fostering a unified culture and developing future-ready graduates.

As Mazoon College evolves to meet the dynamic demands of higher education, periodic reviews and updates to our bylaws ensure relevance and effectiveness. Your engagement in this process is invaluable. By sharing insights and feedback, you contribute to the growth and success of our community.

The Bylaw is more than a regulatory guide; it is a testament to our shared values and collective aspirations. Together, we can uphold these principles and cultivate an environment that nurtures learning, growth, and excellence.

Thank you for your dedication to Mazoon College and its vision for the future. Please feel free to reach out with any questions or suggestions regarding the bylaws. Your involvement is critical to our continued success.

Warm regards,

Dean,

Mazoon College

About the College

Mazoon College is a private academic institution that has operated under the supervision of the Ministry of Higher Education Research and Innovation since 1999. It was established to provide Omani society with higher education in different fields.

The College gives high school graduates and employees the chance to gain educational skills and knowledge of high technology to cope with the ever-changing modern development both in the national and international job market.

Article (1): Admission Requirements

a) Entry criteria:

Admission Procedure

Candidates seeking admission into Mazoon College programs will take a placement test in English, Mathematics, and Information Technology subjects. Students who fail to achieve the required marks in the placement test are required to enroll in one of the three levels of the General Foundation Program. Candidates with a valid IELTS certificate (academic) of band 5 or equivalent are exempted from English courses at GFP and students with ICDL and IC3 certification are exempted from IT courses.

Students who enroll in any level of the GFP must pass the level to proceed to the following level or to be promoted to the respective study program.

Application Procedure

Students seeking admission to Mazoon College are required to submit the following documents:

- 1. A completed "College Application form" from the Admissions and Registrations Department.
- 2. The applicant's original copy of the General Education Diploma Certificate (pass) or equivalent.
- 3. The original copy of the General Education Diploma Transcript.
- 4. Four recent passport-size photos of the applicant.
- 5. Copies of the applicant's ID card and passport.
- 6. A copy of the applicant's guardian ID card or passport (if applicable).

Full-time and Part-Time Students

All students, whether Full-time or Part-Time, are held to identical admission standards, governed by uniform rules and regulations, and obligated to fulfill identical degree requirements. Part-time students should not anticipate differential treatment based on their employment status or scheduling constraints.

- Full-time students attend morning classes.
- Part-time students are accommodated with evening classes.

Note:

- Morning students who want to register for evening courses need their guardians' approval.
- Evening students who want to register for morning courses need workplace approval (If applicable).

b) Changing specialization (MC student):

- 1. Formally apply within the first week of a regular semester.
 - Getting approval from the respective HoD.
 - Getting approval from their sponsor if applicable.

2. Course equalization criteria.

The course equalization criteria for both the Associate Degree (Diploma) and the Bachelor's Degree programs set specific limits on the number of courses with low grades ("D-", "D", "D+") that can be equalized. For the Associate Degree, only 4 such courses can be equalized, while for the Bachelor's Degree, up to 8 courses can be equalized. The grades of the remaining courses will be transferred as they are. (p. 9).

c) Change of degree (MC student):

- 1. If Associate degree graduates apply to continue in the Bachelor's program, equivalency will be considered for the maximum number of courses completed at Mazoon College, based on the compatibility of the courses in the newly applied degree program.
- 2. If a Bachelor's degree student applies to change to an associate degree, the courses studied at Mazoon College under the Bachelor level will be marked as "No Credit (NC)". If the courses are on the transfer course list, they will be considered null and void resulting in their removal from the student's official record.

d) Withdrawal from the college:

- 1. A student who wishes to withdraw permanently from the College must submit an application form stating the reasons for their withdrawal.
- 2. Before initiating the withdrawal procedure, the student must settle all financial dues and complete the exit survey form provided by the ARD.
- 3. The student's application will be processed by the relevant departments and ultimately endorsed by the College Dean.

e) Courses equivalences (general terms & procedures):

The respective academic department at the College is the only authorized entity to equalize courses for transferred students, aligning with the study plan for their selected specialization.

Consider the following conditions for course equalization:

- 1. The content and description of equalized courses must match the College's by at least 70%. Students can receive credits for up to 50% of the total program courses.
- Requests for credit hour transfer must be made before the student begins their studies; no appeals will be accepted after enrollment. The Department Head's decision is final, and no further course exemptions will be granted during the program.
- 3. Grades for equalized courses will not affect the transferred student's GPA or CGPA; they will only be marked as "eqv" on the transcript.
- 4. Only students from colleges or universities recognized and accredited by the Sultanate of Oman are accepted to transfer.
- 5. Students must provide an original or certified copy of their official transcript along with detailed course descriptions/syllabi for equivalency assessment.
- 6. If a student with an Associate Degree (Diploma) from another institution wants to pursue a Bachelor's degree at MC in the same specialization:
 - a. The Associate Degree (Diploma) specialization must match with the existing degree at MC.
 - b. The student must follow MC's study plan for the remaining courses, excluding those equalized.

f) Admission rules for external students at Mazoon College:

- 7. The student's previous college or university must be recognized by MoHERI.
- 8. The student needs a high school certificate or its equivalent and must adhere to MC's rules and regulations for the transfer year.
- 9. The student must not have been dismissed from their previous institution for misconduct reasons. If found dismissed, their admission will be canceled.
- 10. The student must submit a transfer application to the Admission and Registration Department. It will be processed according to MC's admission system and forwarded to the relevant department for necessary procedures.

g) Tuition fees:

Article (2): Academic Progression

a) Qualification Framework:

Mazoon College follows the Oman Qualification Framework for organizing the study program on a semester basis. The following are some important definitions for some concepts that might be used in the above-mentioned system.

- OQF Credit Hours (Ref: OQF manual)
- One OQF Credit Hour equates to three hours of activity per week for one semester (a minimum of 14 weeks). Based on a 14-week semester, each OQF Credit Hour has a minimum of 42 notional learning hours. Each OQF Credit Hour comprises a combination of learning activities, for example, this may be but is not exclusive to:
 - One hour of class or laboratory contact time and two hours of learning activities
 - Two hours of class or laboratory contact time and one-hour of learning activities
 - Three hours of learning activities

A minimum of one OQF Credit Hour (42 notional learning hours) is required for a qualification to be Listed or Aligned and placed on the NRQ.

k) Academic Terms:

- 1. **Academic Semester**: A period of **16** weeks in which the courses are taught and student performance is evaluated from its beginning until the end of that period.
- 2. **Academic Year:** It consists of two mandatory academic semesters (Fall and Spring), and one optional Summer Semester of **8** weeks.
- 3. **GPA**: The Grade Point Average of the numeric value of the entire courses' results that a student got in that semester.
- 4. **CGPA**: The Accumulative Grade Point Average of the numeric value of the entire courses' results that the student got until the last studied semester.
- 5. **Degree Plan:** A group of courses and study activities like the theoretical, practical, core and elective courses that grant the student an academic degree, whether it is an Associate Degree (Diploma), or a Bachelor Degree, or a Master Degree if he/she has passed successfully.
- 6. **Prerequisite Course**: A course that the student should pass before registering for another course that is dependent on it.
- 7. Academic Advisor: A teaching staff member who is assigned by the academic advising center in order to help students choose the courses to study based on their degree plans. The advisor assumes the role of guidance for students in academic and social matters until the student graduates.
- 8. **Academic Probation:** a student will be placed on academic probation if his/her CGPA is less than 2.0 out of 4.0.
- 9. **At-Risk:** a student will be placed on the at-risk if his/her CGPA is between 2.0 to 2.1.
- 10. **Potential Risk:** a student who completed the first academic semester with a CGPA less than 2.0 but does not qualify for probation due to the two-semester policy.

1) System of Study:

1. System of Study at Mazoon College is in line with the Oman Qualification Framework (OQF).

| Study Period | Credit Hours Earned |
|--------------|-----------------------------------|
| First Year | 0 – 29 CH |
| Second Year | 30 – 59 CH |
| Third Year | 60 – 89 CH |
| Fourth Year | 90 and above CH in the study plan |

- 2. Each academic year consists of two semesters: Semester 1 (Fall) and Semester 2 (Spring). Each semester spans 16 study weeks, including examination periods. Additionally, there is an optional Summer Semester, which comprises 8 study weeks, including examinations.
- 3. GFP consists of three semesters each semester spans 13 study weeks, including examination periods.

Note: Students must complete their Associate Degree (Diploma) within THREE academic years and their Bachelor's Degree within SIX academic years, respectively excluding the General Foundation Program period and excluding students who have postponed their studies with approval.

However, Ministry-sponsored students should apply for the postponement of the study through MoHERI portal, and self-sponsored students may contact ARD at Mazoon College.

m) Course registration process:

- 1. Students are required to consult their respective academic advisers to discuss the course registration plan suitable for their progression.
- 2. A student is not allowed to register for a course without completing its prerequisite.
- 3. A student may, with permission from the respective HoD, take both a course and its prerequisite in the same Semester, if they have failed the prerequisite course and/or are a graduating student.
- 4. The GFP courses, credits, and grades are not included or counted in the academic study plans at the College.
- 5. Students with a CGPA \geq 2.1, can do their online registration during the registration period as specified in the Academic Calendar after consulting with their academic advisors.
- 6. Students with a CGPA < 2.0 (on-probation) and students with CGPA between 2.0 to 2.10 (at risk) must visit their respective advisers to discuss their remedial academic plan and complete their registration under the guidance of the advisers.
- 7. Add/Drop of courses can be done within the dates specified in the Academic Calendar.
- 8. Withdrawing from courses can be done within the dates specified in the Academic Calendar.
- 9. Courses with "F" marks should be registered first before registering for new courses.
- 10. A student can only repeat a course with grades of "D-", "D", "D+", and "C-". Repeating such courses incurs financial consequences for students. The concerned student must sign a declaration stating they will pay for the fees of the repeated course(s), which should be kept with the academic adviser for future reference.
- 11. The following students must register for morning classes:
 - I. Students sponsored by the MoHERI,
 - II. Hostel students,

However, some exceptions can be made for students sponsored by the MoHERI or hostel students to have evening classes based on graduating purposes or timetable clashes.

- Students allowed to register for evening classes must obtain prior approval.
- Students are required to check the registration instructions published on the College notice boards, website, and college email.

n) Course substitution:

A course in a study plan can be substituted with another course in the following cases:

- 1. Failing in the course three times. (Only for Electives)
- 2. If the student is graduating and the required course is NOT offered in that semester.
- 3. If a student is NOT able to register the minimum registration load.

In all of the above-listed cases, the substitution will be granted upon approval of the concerned HoD based on satisfactory inputs. Substitution of a course will take place at a similar or higher level

- 1. If the failing course is a major requirement course or department requirement course that will be substituted with a course from the same department.
- 2. If the failing course is an elective course that can be substituted from a course from other departments.

o) Add, delete, and withdraw courses:

- 1. Students have the right to add or drop any course in a semester during the allowed period specified in the Academic Calendar.
- 2. To add or drop a course(s), a student should contact his/her academic advisor for approval.
- 3. A student may withdraw from one or more courses after the end of the drop/add allowed period up to the end of the 9th week of an ordinary semester or the 5th week of a summer semester. In such cases, withdrawn courses will be marked (Withdrawn) in the student's transcript and will NOT be counted in calculating his GPA and CPGA. However, the fees of the dropped course will be refunded as per college regulations.
- 4. In emergency situations, a student may withdraw from all registered courses in a semester. This process requires submitting a written request to the Dean, detailing the reasons for withdrawal and including any supporting evidence, if available. The request must be submitted at least two weeks before the end of the regular semester, or one week before the end of the summer session. If the withdrawal is approved, all courses for the respective semester will be considered withdrawn, and the tuition fees for the withdrawn credit hours will not be refunded.
- 5. Students are allowed to drop courses without any financial liability or academic consequences during the add/drop timeframe. Students who withdraw after the add/drop timeframe and before the deadline set by the academic calendar are considered withdrawn. Such students would face financial consequences, and a "W" would appear in their transcripts. Sponsored students must get prior approval from their sponsor before applying to withdraw/drop any course.
- 6. Withdrawal from a course(s) must be done by using the specific form provided by the Admission & Registration Department for this purpose and after approval of the relevant sponsor (if any), the academic advisor, the Department Head who will transfer the form to the Academic Advising Center to be kept in the student's advisory file.

7. A Student who stops attending classes in the enrolled course in the semester for four consecutive weeks in the regular semester or two weeks in the summer semester without having valid excuses will be considered a "No-Show Student".

s) Grade Appeal

- 1. Appeals for grade reviews for final exams will be accepted after the announcement of results.
- 2. Student should fill the grade appeal form, available on student portal, and submit to the Admission and Registration Department (ARD)
- 3. ARD will collect all appeal requests and forward them to the respective academic departments.
- 4. The academic department will evaluate the appeals and return the final decisions to the ARD, which will then communicate to the students.

t) Re-assessment and substitution of missing assessments:

1. For any missing assessment by the students due to a valid excuse, he/she is entitled to apply for a makeup exam. Makeup exam is only applicable for Centralized Exams and students are required to fill out the Makeup exam form and submit it to his/her advisor for endorsement. If the request is approved the student will be informed by the department. The Examination center prepares and announces the exam dates (makeup and re-sit). It is the responsibility of the students to follow up on their cases with their respective HoDs and advisors.

2. Makeup Exam:

Any student having valid and approved evidence for absence from the final assessment will have an opportunity to take a makeup exam.

- The student must apply for the makeup exam by paying the prescribed fee.
- The makeup exam opportunity is restricted to one attempt only.
- 3. Not availing of the scheduled Makeup Final Exam without an acceptable excuse, the student will fail the course(F). For acceptable excuse cases (verified and approved by the Dean), (W) status will be assigned to the respective course.
- 4. Any student who misses any semester work/assessment without providing an acceptable excuse will be given a zero in that assessment.

5. Re-sit /Makeup Exam:

Students with an "F" grade in the final assessment have an opportunity to pass the course by resitting the examination.

- Students have to apply for the re-sit by paying the prescribed fee.
- Students are permitted to apply for the re-sit exam only one time.
- Students barred from the final exam due to attendance warnings and malpractice incidents in the final exam are not permitted to apply for re-sit /makeup exam.
- Students who are "Debarred and under Investigation action" are not eligible to apply for a re-sit /makeup exam.

u) Attendance:

All excuses provided by the student related to all types of assessments must be submitted one week from the date of exam / assessment.

Students Attendance Warnings

Attending all classes related to the enrolled course is mandatory for the student, and in the case of absenteeism:

- 1. Students will be given the first warning at 10 % absenteeism, the second at 20%, and the third with debarring the student from final exam at 30%.
- 2. Since the student will be debarred from the final exam, zero marks will be given in the final exam.
- 3. Internal marks (including zero in the final exam) earned by the student will be counted in the total.

No-Show Student

A no-Show student is a student who stopped attending classes in the enrolled course in the semester for four consecutive weeks in the regular semester or two weeks in the summer semester without having valid excuses.

The No-Show student will be withdrawn from the enrolled course, and he will be assigned a grade of "UW" (Unofficial Withdrawn). It is equivalent to failure and carries a grade of zero 'F" in the course, in addition to losing the entire amount paid for this registered course.

Late Coming

Students have to be in their respective classrooms on time as scheduled. A grace period of 10 minutes late is given to students, otherwise, the student arriving in the class late for more than 10 minutes may attend the class but his attendance status is deemed (Late) in this class. Being late three times will be equivalent to one absence.

v) Academic probation & students at-risk:

Any student who scores below a CGPA of 2.0 by the end of any semester, except for the student's first Semester or summer semester, shall be put on the First Academic Probation.

- 1. A student who is on academic probation must meet his academic advisor to discuss the remedial plan advised by the respective advisor to help the student get out of the on-probation state at the earliest possible time. The remedial plan may require the on-probation student to repeat some of the "D-", "D ", "D+", C- grade courses (plus all courses with grades of "F") to help the student move out of probation in accordance with regulations for course registration. (re-registration fee apply)
- 2. After receiving the First Academic Probation warning, if the student fails to raise the CGPA to 2.0 or above at the end of the next semester a Second Probation Warning will be issued.
- 3. If the CGPA continues to be less than 2.0 after the Second Probation Warning for one semester a Third Probation Warning will be issued.
- 4. If still, the CGPA continues to be less than 2.0 after the Third Probation Warning, the College Council will study the student's case to decide the next action for the student.
- 5. Taking into account the total number of credit hours that a student studied under academic probation and his CGPA, the College Council has the right to give a one-semester chance, Fall/Spring/Summer, to improve his CGPA provided the student has completed 50% of the total credit hours. If the student fails to do so, he/she shall be dismissed from the Program / College at the end of the period granted by the College Council.
- 6. If a student achieves a CGPA of less than 2.0 as a result of the summer semester, he will carry the same probation to the next regular semester. His probation will be waived if CGPA becomes 2.0 or above by the end of the summer semester.
- 7. Those students whose CGPA is between 2.0 to 2.10 and are expected to be below 2.0 in the next regular semester are considered to be "at-risk students". At-risk students are advised to take 12 credit hours maximum in order to improve their performance (optional).
- 8. Potential Risk Students are advised to take 12 credit hours maximum and advised to repeat course(s) (optional) in order to improve their performance.

w) Repeating courses:

- 1. A student who has scored "D-", "D ", "D+", or C- in a course is given a chance to repeat that course in order to raise his CGPA. In such a case, the highest grade he scores will be considered and the course credit hours will be considered once for graduation purposes.
- 2. If a student wishes to repeat a course with a (C) grade and above, he has to make a special application to the Assistant Dean for Academic Affairs pledging to take full financial and academic responsibility for his request. In such a case, the highest grade he scores will be considered and the course credit hours will be considered once for graduation purposes.
- 3. A student repeating a course will study that repeated course in accordance with the new curriculum set by the instructor. He has to submit all the required assignments as stated in the syllabus. The same rules are applied to a postponing student.
- 4. A student shall NOT be allowed to repeat a course more than three times (Applicable only for elective courses). In this case, a substitute course will be assigned to the student by the respective academic department.

x) Study postponement and suspension:

- 1. The summer semester is an optional semester for academic students as well as for foundation students, except for scholarship students where the sponsor's rules are applied.
- 2. The student who wishes to postpone his studies must fill out the form and attach all documents. The student must obtain the approval of the College in addition to the consent of the sponsor.
- 3. The deadline for the postponement of the semester is the end of the course withdrawal period, and he is subject to the rules of postponement, except for critical circumstances excluded by the Dean.
- 4. A student who fails to register in any regular semester will be considered a suspension case. The student will be re-considered by the deanship after filling out the form and attaching all related documents. If the excuse is accepted, the study will be postponed. If the student's excuse is NOT accepted, the suspension period will be considered from the student's maximum study period.
- 5. The student can postpone his study for a maximum of three continuous or disconnected semesters (twice without excuse and the third time only in case of a critical problem) except for the summer semester during his whole academic study.

y) Academic excellence "honors list":

- Academic Excellence is rewarded to each Foundation student according to the course studied. One
 student with the highest score in that course will be selected and this will be in every semester,
 provided that the student should NOT have failed in the same course previously and the study should
 be in consecutive semesters.
- 2. Academic Excellence is rewarded to each Associate Degree (Diploma) or Bachelor student (Full-Time) completing 30 credit hours and above after studying two consecutive semesters in the Academic Year (Semester 1 (Fall) and Semester 2 (Spring) and getting a Cum GPA of 3.5 and above out of 4 in each of the two semesters.
- 3. Academic Excellence is rewarded to each Associate Degree (Diploma) or Bachelor student (Part-Time) completing 24 credit hours and above after studying two consecutive semesters in the

- Academic Year (Semester 1 (Fall) and Semester 2 (Spring)) and getting a Cum GPA of 3.5 and above out of 4 in each of the two semesters.
- 4. For Master students, Academic Excellence is rewarded for acquiring the top three scores, after fulfilling all the academic requirements including the thesis, and after completing their second year of studies. The students should have studied for two years consecutively.
- 5. A student awarded Academic Excellence must adhere to the rules of conduct and must not have received any written warnings.
- 6. The College posts the Honor List at the beginning of every academic year for Foundation level, Associate Degree, Bachelor, and Master Degrees.

Note: Excellence awards are granted to students with a clear academic record, free from any misconduct or investigation actions.

z) Graduation Requirements:

Students must fulfill the following requirements to get an Associate Degree (Diploma) or Bachelor's degree:

- 1. They must successfully pass all the required courses in accordance with the approved study plan of the respective degree.
- 2. They must have a minimum CGPA of 2.0 out of 4.00

aa) Graduation Ceremony:

- 1. The Admission and Registration Department is directly responsible for students' academic progress and checking out the fulfillment of graduation requirements.
- A student is allowed to participate in the graduation ceremony if he/she has completed successfully
 all the assigned duties regarding graduation requirements based on the College Degree Plan
- 3. In case a student fails to attend the graduation ceremony, he/she may contact the Admission and Registration Office to receive his certificate
- 4. A student must pay the graduation ceremony fee as specified by the College.
